

DIY Blackstone Griddle Cart - Free Plans & Build Guide

Black Hut Woodworking Edition

Designed for Blackstone 2177 griddle owners. Beginner-friendly weekend woodworking project.

Materials List

- 8 - 2x4x8 boards
- 4 - 2x6x8 boards
- 1 - Sheet 3/4" Exterior Plywood
- 4 Heavy Duty Locking Casters
- Exterior Screws
- Wood Glue
- Exterior Finish or Spar Urethane

Cut List (Draft)

- 4 - 2x4 @ 69"
- 6 - 2x4 @ 27"
- 4 - 2x4 @ 31"
- 2 - 2x6 @ 69"
- 3 - 2x6 @ 27"
- Top: 72" x 30" plywood
- Shelf: 69" x 27" plywood

Assembly Overview

Build the upper frame first, attach the legs, install the lower shelf supports, mount the plywood top and shelf, sand all surfaces, apply finish, and install locking casters. Finally mount the griddle and propane tank area.
